5. STUDY TOUR TO AGRICULTURE BUSINESS GEVRAI KUBER VILLAGE
AURANGABAD

Date 19-12-2019

The commerce department organized a study tour to gain knowledge of Project work & Field Visit on 19th Dec. 2018. The students visited Agriculture business at GevraiKuber Aurangabad. Our country's farmers do not cultivate it in a planned manner. They do not know why they have to make such a plan. Apart from this, planning for agriculture, there are many obstacles in it. There is a problem of nature, but there is also a huge amount of money problem in planned agriculture

Therefore, they do not have the exact time to decide which crops they should pick. Seedlings that have to be planted prior to planting of crops before planting are not required.

If any crop is planned at least one and a half month ago, self-seeding can be prepared and that crop can be grown using the seedlings. Students should be given preference to modern agriculture profession and they should not be behind the job. Therefore with this purpose, this tour was organized.

भारतातील मुख्य नद्यांची अवस्था आज दयनीय झालेली दिसते. बारा महिने वाहणाऱ्या नद्या सध्या काही महिन्यांत आटतात. भविष्यातील पाणीटंचाई लक्षात घेता नद्यांचे पुनर्वसन होणे आवश्यक आहे. नद्यांचा प्रवाह वाढवा हा उद्देश समोर ठेवत शहरातील विद्यार्थ्यांनी नदी अभियान हाती घेतले आहे.

यानिमित्ताने शहरातील शासकीय ज्ञान-विज्ञान महाविद्यालय, मौलाना आझाद महाविद्यालय,

जनजागृती रॅली काढली. गजानन महाराज मंदिर- सूतगिरणी, जालना रोड-आकाशवाणी, क्रांती चौक ते पैठण गेट, निराला बाजार - सावरकर चौक, बाबा पेट्रोलपंप - सेंट्रल बसस्थानक, क्रांती चौक- रेल्वेस्टेशन, हिमायतबाग- ताजमहल, पैठणरोड-महानुभव आश्रम नाथ सीड्स अशा विविध ठिकाणी नद्यांबाबत प्रबोधन करण्यात आले.
