Time Table Committee - 2022-2023

Aim : Objective, Vision & Mission, Academic Calendar

Introduction :

A key component of preserving college discipline is the academic calendar. It maintains the right balance between extracurricular and curricular activities. Administrative staff, teaching faculty, and students obtain appropriate working guidelines when the academic calendar is used correctly.

Aims Objective :

- 1) To prepare the schedule for science, commerce, and the arts.
- 2) To Provide a Hall for class
- 3) To create a master schedule
- 4) To provide all Heads of Departments and Teaching Staff instructions to create their own schedules and obtain approval from the Principal and Vice-Principal.
- 5) To create a practical schedule for the science faculties.
- 6) Designate a hall for environmental science.

Vision and Mission :

One of the most significant committees at the college is the Timetable committee. Its responsibility is to oversee and uphold collegiate academic discipline.

- 1) To continue holding normal college classes.
- 2) To manage the academic calendar for colleges.
- 3) To keep the administration, faculty, and students in sync.
- 4) To coordinate with the principal and the teaching staff to finalize the academic timetable.
